

Ui\_MainWindow

```
classDiagram
    class Ui_MainWindow
    class Ui_MainWindow_1["Ui::MainWindow"]
    class Ui_MainWindow_2["Ui::MainWindow"]
    Ui_MainWindow_1 --|> Ui_MainWindow
    Ui_MainWindow_2 --|> Ui_MainWindow
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Ui\_MainWindow'. Below it, two boxes labeled 'Ui::MainWindow' are positioned side-by-side. A horizontal line connects the two 'Ui::MainWindow' boxes, and a vertical arrow points upwards from the center of this line to the bottom of the 'Ui\_MainWindow' box, indicating that both 'Ui::MainWindow' classes inherit from 'Ui\_MainWindow'.
